ABOUT *Me*

HELLO, I'M SHANNON,

My passion for hair began at a young age in a family-run hair salon. Sixteen years later, my love for hairstyling has only intensified. Over the years, I've gained extensive experience, including working behind the scenes at Mercedes Benz Fashion Week, training in London to work as a personal hair stylist on cruise liners, and participating in numerous editorial fashion shoots.

However, my greatest passion lies in preparing clients for special occasions. I thrive on the excitement and energy that comes from those significant moments before a big event. I've had the privilege of styling many beautiful brides, bridesmaids, flower girls, and mothers of the bride and groom. Being a part of my clients' special days is a true honour, and I am dedicated to making them feel stunning, confident, and comfortable.

NEED A HAIR STYLIST FOR YOUR

Special Day?

At Shannon Leigh Hair, I understand how important your special day is, and I'm here to make it perfect. Hair and makeup are like a dream team, each bringing its own magic to complete your look. But I believe that having dedicated professionals for each ensures the best results.

When you choose me as your hair stylist, you get my full attention and passion. I will focus entirely on creating the hairstyle that you've always envisioned, while a talented makeup artist ensures your makeup is flawless. This way, you get the best of both worlds, and everything runs smoothly.

I know that the preparation process can be stressful, so I strive to make it as enjoyable and efficient as possible. Typically, hair and makeup take about an hour each per person. By having separate specialists, a group of three can be ready in just three hours instead of six, giving you more time to relax and enjoy the moment.

I've had the pleasure of working with many wonderful clients, and I genuinely care about making your special day unforgettable. Let me help you feel beautiful, confident, and cherished on your big day.

GET *Inspired*

BEFORE YOUR BOOKING, IT'S A GREAT IDEA TO GATHER PICTURES OF MAKEUP STYLES YOU

Whether from the internet, magazines, or anywhere else. These images help me understand your vision and how you want to look, allowing us to discuss your unique eye shape, eye colour, and skin tone to create your perfect look.

Feel free to choose photos where you only like one aspect – we can mix and match different techniques to suit you. I'll take into account the differences in your face, skin tone, and eye shape compared to the models in the pictures and adjust the look to enhance your individual features.

Let's work together to bring your vision to life, making you feel confident and beautiful for your special day.

PRE *Event* PRO HAIR TIPS

1 CONSULTATION & PLAN

During our initial consultation and trial, we will discuss the use of extensions, keratin treatments, and colour to enhance your look. Together, we'll create a tailored plan to achieve your desired style.

2 HAIR PREPARATION

Proper hair prep is crucial for a lasting style. I'll recommend the best products to ensure your hair is in top condition for your special day.

3 NIGHT BEFORE CARE

The night before your event, wash your hair with the recommended shampoo, focusing on the roots and using minimal conditioner on the ends. If you're having an updo, blow-dry your hair but avoid using straightening irons.

4 MORNING OF THE EVENT

If you're wearing your hair down, wash it freshly on the morning of your event without adding any product. I will prep your hair from wet to ensure it stays beautiful and lasts all day.

" I have been going to Deb, Shannon and the team at Hair Religion for 15 years. I have always had a positive experience with them. I've always felt welcomed by their great vibes and humble nature. Deb is lovely, you can tell she loves her salon and her clients, she's like my other mum. Shannon is super sweet and easy to talk to, she's not just my hairdresser, she's become a friend. She's even doing my hair for my wedding in the next few weeks. Would recommend them every time. 10/10 service and team. "
